

Client Website Sign-Off Document

Project: Website Development & Integration

Developer: DJ Moody

Client: Ariana Flores — Pro Sports Photography

Date: July 6th, 2026

1. Project Summary

The website has been completed according to the agreed-upon scope. All requested features have been implemented, including:

- User authentication system (Login, Register, Profile)
- Booking page with integrated Google Map
- Contact form
- Location-based weather widget
- Responsive design
- Navigation menu setup
- Any additional modifications requested by Ariana

2. Final Deliverables

The final build includes:

- Fully functional website
- Responsive front-end design
- Integrated third-party APIs
- Completed content and layout
- All requested revisions
- Client-ready documentation and video presentation

3. Client Review Checklist

Ariana confirms the following:

- All pages function correctly
- All integrations work as expected
- All requested changes have been completed
- No additional revisions are required
- The website meets the needs of Pro Sports Photography

4. Approval Statement

I, **Ariana Flores**, approve the final version of the website and authorize project completion.
